SAN FRANCISCO, October 17 .- There is les onnage in port than for years past. Wheat advancing daily with great rapidity. The rise in the past two days has been fifteen cents per cental. Export demand enormous, out farmers 'and exporters' hands are tied, and hey are unable to reap the fruits of the foreign advance owing to scarcity in tonnage. The disengaged tonnage in port is only fif-teen thousand nine hundred and eightythree tons, and this is all confined to Ame can ships which are holding off for still higher figures, and when approached demand prices that nobody will pay. At present the quotable wheat rate to Cork is three pounds five shillings per ton. This scarcity of tonnage will last at least for sixty days. Shippers have have been talegraphing all over the

pers here have been telegraphing all over the world for tonnage, and are chartering it thousands of miles away as fast as possible. The unprecedented demand for ships has set a great quantity of tonnage this way from Australia, New Zealand, Callao (forty-seven vessels coming from the latter port), from the general west coast, and even from the other side. These vessels are all coming in bal-last. The chartered wheat fleet in port numbers sixty-two thousand seven hundred and forty-four tons, against thirty-four thousand two hundred and seventy-nine at this time

ast year. In addition to scarcity of tonnage sailors are scarce and more than a dozen ships are now lying in the stream loaded with wheat ready to clear, waiting for hands. The total tonnage now on the way to this port is one hundred and fifty-four thousand nine hundred and fifty eight tons, against one hundred and twenty-five thousand and twenty-six tons at this time in 1878. REPORT OF COMMITTEE.

MEMPHIS, October 21, 1879.
To the Chairman and Members of the Executive Committee of Safety:

GENTLEMEN-Your committee appointed to confer with Mr. Pefer Mitchell relative to

any claim he might have for damages to his grounds by reason of the establishment

thereon of sundry camps, beg leave to report that our efforts have resulted in no proposi-tion from him which we could reasonably

RESOLUTION AS A BASIS OF SETTLEMENT.

The following preamble and resolutions

WHEREAS, It was essential to the early de

population of the city at the outbreak of the

in which those unable to provide for them-selves could be located and cared for at the

public expense; and whereas, such camps were established on the grounds of Mr. Peter

Mitchell, in Shelby county, about five miles

from the city of Memphis, said grounds hav-

ing been taken possession of by a representa-tive of the State of Tennessee; and whereas,

the committee of safety, organized for the

purpose of protecting life and property, have fed and cared for the people so located, and

without any charge to anyone for the use of

committee as to an amount which should re-

imburse him for the use of said grounds and

any question of litigation with Mr. Mitchell.

Resolved further. That the sum of five hundred dollars, together with all the lum-ber, brick and other material under control of

this committee, and now on his premises, be

tendered him as a donation from this com-

mittee in full of all claims for damages, or

supposed damage, by reason of said location, and in a spirit of good will, with the view above stated; and that this committee believe the same to be sufficient to amply reimburse

aim for all real or imaginary damages.

Resolved, That a copy of this resolution be sent to Mr. Mitchell, and that the chairman

of this committee is hereby authorized to set-

tle with Mr. Mitchell as above, on his accept-ance of the terms proposed, and that he ac-

Cathartic Pills

Combine the choicest cathartic principles medicine, in proportions accurately adin medicine, in proportions accurately adjusted to secure activity, certainty, and uniformity of effect. They are the result of years of careful study and practical experiment, and are the most effectual remedy yet discovered for diseases, caused by derangement of the stomach, liver, and bowels, which require prompt and effectual treatment. Avea's Pills are specially applicable to this class of diseases. They act directly on the digestive and assimilative processes, and restore regular healthy action. Their extensive use by physicians in their practice, and by all civilized nations, is one of the many proofs of their value as their practice, and by all civilized nations, is one of the many proofs of their value as a safe, sure, and perfectly reliable purgative medicine. Being compounded of the concentrated virtues of purely vegetable substances, they are positively free from calomel, or any injurious properties, and can be administered to children with perfect safety.

AYER'S Puts are an effectual cure for Constipation or Costiveness, Indiges-tion, Dyspepsia, Loss of Appetite, Foul Stomach and Breath, Dizziness, Headache, Loss of Memory, Numbness, Biliousness, Jaundice, Rheumatism, Eruptions and Skin Diseases, Dropsy, Tumors, Worms, Neuralgia, Colic, Gripes, Diarrhen, Dysentery, Gout, Piles, Disorders of the Liver, and all other diseases resulting from a disordered state of the diseases resulting from a

state of the digestive apparatus As a Dinner Pill they have no equal. While gentle in their action, these PILLS are the most thorough and searching cathar-tic that can be employed, and never give pain unless the bowels are inflamed, and then their influence is healing. They stimu-

This school is fast growing in public favor, and is really one of the very best training schools in the Southern States for boys and young men, as well as a first-class boarding school. CARLOS G. SMITH. Southern States for the description of the climate, the conduct of the domestic department, and the qualifications of the teachers, place the school in the first rank of educational institutions. This is really a Home School. The boys are well behaved and happy, and under the best domestic, educational and religious influences.

NEW YORK, August 1, 1879. NEW YORK. August 1. 1879.

In order to avoid danger from the malady now existing in the Mississippi Valley, we have deemed it better for both our customers and ourselves to temperature of the first orders for Dry Goods, Notions. Clothing, Men's Furnishings, etc., from our office in New York. The advantages which this city can furnish in transportation facilities, in case Louisville, Cincinnati and St. Louis should also become (not improbable) isolated by rigid quarantines, induces us to adopt this policy, in order to furnish our friends with a more reliable assurance for obtaining their supplies. We will endeavor to faithfully fill any orders with which you may intrust us. Please address, with specific snipping directions,

OF BLACKBERRY ROOT. It is almost needless to say that this preparation, for an effectual and certain cure for Dysentery, Acute and Chronic Diarrhoea, Flux, and all kindred diseases, far excels an other known remedy. It not only cures the disease, but strengthens the intestinal organ and invigorates the entire system. We do not claim it to cure every thing, but we gua antee it to cure the diseases we name above. For children it has no equal, being both mil and safe in its effects; and for females it is the best strengthener and appetizer know
